Your agency's continued or returning membership in Southwest NAHRO becomes even more important as housing agencies face changing regulations and uncertain funding prospects. Without the continued participation of agencies such as yours, Southwest Regional Council of NAHRO would be unable to provide substantial regional training and other services, nor act as an effective advocate for regional housing program issues. Current agency membership is required for submission of entries in Southwest NAHRO's Scholarship Program and Annual Awards Competition. Additionally, discounts for registration or other benefits may be available to registrants affiliated with current member agencies at Southwest NAHRO activities.

**Make sure to mark your calendars to join us for the 77<sup>th</sup> Annual Conference in San Antonio, TX! June 5<sup>th</sup> - June 9<sup>th</sup>, 2017. Details and Registration forms can be found at [www.swnahro.org](http://www.swnahro.org).**
