Dear Southwest NAHRO Affiliate Member:

Affiliate membership in Southwest NAHRO is open to manufacturers, distributors and sales entities providing goods and/or services to the housing industry, to providers of professional and technical services, and to privately owned entities involved in the provision and/or management of housing or in the provision of related public services.

Without the continued participation of companies and professionals, Southwest Regional Council of NAHRO would be unable to provide substantial regional training and informational services, nor act as an effective advocate for housing and CD program issues which relate directly to your sales or provision of services. Southwest NAHRO's affiliate members receive early announcements of exhibit opportunities and preferential allocation of exhibit space.

Make sure to mark your calendars to join us for the 77th Annual Conference in San Antonio, TX! June 5th – June 9th, 2017. Details and Registration forms can be found at www.swnahro.org.
