

Attention: Executive Director
or the Maintenance Supervisor

We're back! ... Sponsored by the
Southwest-NAHRO
"This class will sell-out fast"

* UPCS Inspection Protocol Training Class

January 7th & 8th, 2010 in San Antonio, Texas

Are you ready for the REAC Inspections? ... **Is your staff ready?**

Two Full Days of "Need to Know" UPCS Inspection Protocol information

designed specifically to help you comply with IRS and HUD FedRegs...plus, raise your organization's PASS/REAC scores! For starters: A full copy of the REAC protocols, criticality for each possible defect, updates and addendums to the UPCS protocols (some as recent as three months), color copies of our PowerPoint presentations of actual defect deficiencies, a suggested glossary of terms for use in regular inspections/work orders and explanations of how different properties are scored. Learn how to prioritize defects with realistic and inexpensive remedies that work for improving REAC scores.

All attendees will also receive a certificate of completion (w/14 CEUs), plus much...much more! *The last San Antonio class, held July 28 & 29 was sold-out.*

Put our experience as REAC/UPCS inspectors and consultants to work for you.

We can show you how to "play the game" and easily improve properties !

We've done it around the nation for the past nine years...

Regularly \$ 450 per attendee for this class

SW-NAHRO EARLY-BIRD SPECIAL

Now \$ 375 per attendee (*offer ends 12/23/2009*)

(Call for special pricing of 4 or more attendees from same agency)

Continental Breakfast, LUNCH & Afternoon Break refreshments included...

Mike Gantt, Saul Himmelstein and Charles Barclay will be your instructors for this UPCS training class, with over nine thousand people trained by them and over twenty thousand properties inspected, in both REAC/PASS and UPCS annual inspection procedures.

Need we say more...? Need references? We'll be glad to forward them to you.
